MANISH PRAJAPAT

Web Developer

PROFILE

I am a skilled web developer with expertise in both front-end and back-end technologies. I have a strong command of HTML, CSS, and JavaScript. Additionally, I possess proficiency in server-side languages such as Node.js, Python, and PHP, and I can effectively design and manage SQL databases.
My goal is to always stay abreast of new technologies and industry trends, collaborating with them to present innovative and high-quality web solutions.
